FOR THE NORTHERN DISTRICT OF CALIFORNIA

10 DAVID REYES, No. C 11-2747 WHA (PR)

11 Plaintiff, **ORDER OF SERVICE**

12 v.

13 CORRECTIONAL SERGEANT  
SOTELO; CORRECTIONAL  
14 OFFICER LUNA,

15 Defendants.  
16 \_\_\_\_\_ /

17 **INTRODUCTION**

18 Plaintiff, an inmate at Salinas Valley State Prison (“SVSP”), filed this pro se civil rights  
19 action pursuant to 42 U.S.C. 1983. He has been granted leave to proceed in forma pauperis in a  
20 separate order. Based upon a review of the complaint pursuant to 28 U.S.C. 1915A, it is  
21 ordered served upon defendants.

22 **ANALYSIS**

23 **A. STANDARD OF REVIEW**

24 Federal courts must engage in a preliminary screening of cases in which prisoners seek  
25 redress from a governmental entity or officer or employee of a governmental entity. 28 U.S.C.  
26 1915A(a). In its review the court must identify any cognizable claims, and dismiss any claims  
27 which are frivolous, malicious, fail to state a claim upon which relief may be granted, or seek  
28 monetary relief from a defendant who is immune from such relief. *Id.* at 1915A(b)(1),(2). Pro

1 se pleadings must be liberally construed. *Balistreri v. Pacifica Police Dep't*, 901 F.2d 696, 699  
2 (9th Cir. 1990).

3 Federal Rule of Civil Procedure 8(a)(2) requires only "a short and plain statement of the  
4 claim showing that the pleader is entitled to relief." "Specific facts are not necessary; the  
5 statement need only" give the "defendant fair notice of what the . . . claim is and the grounds  
6 upon which it rests." *Erickson v. Pardus*, 127 S. Ct. 2197, 2200 (2007) (citations omitted).  
7 Although in order to state a claim a complaint "does not need detailed factual allegations, . . . a  
8 plaintiff's obligation to provide the 'grounds of his 'entitle[ment] to relief' requires more than  
9 labels and conclusions, and a formulaic recitation of the elements of a cause of action will not  
10 do. . . . Factual allegations must be enough to raise a right to relief above the speculative  
11 level." *Bell Atlantic Corp. v. Twombly*, 127 S. Ct. 1955, 1964-65 (2007) (citations omitted). A  
12 complaint must proffer "enough facts to state a claim for relief that is plausible on its face." *Id.*  
13 at 1986-87.

14 To state a claim under 42 U.S.C. 1983, a plaintiff must allege two essential elements:  
15 (1) that a right secured by the Constitution or laws of the United States was violated, and (2)  
16 that the alleged deprivation was committed by a person acting under the color of state law.  
17 *West v. Atkins*, 487 U.S. 42, 48 (1988).

18 **B. LEGAL CLAIMS**

19 Plaintiff alleges that after he asked defendant Sergeant Sotelo for his legal papers,  
20 Sotelo opened plaintiff's tray slot, sprayed O.C. spray into plaintiff's cell, on the walls, ceiling,  
21 floor, sink and toilet, and then closed the tray door. Plaintiff suffered pain in his lungs, had  
22 breathing difficulty, could not see, and lost consciousness. Sotelo returned half an hour later,  
23 ordered plaintiff to get to his knees, and then shackled and handcuffed plaintiff. Once plaintiff  
24 was shackled, Sotelo and defendant Officer Luna struck and kicked plaintiff in the torso until  
25 plaintiff lost consciousness, causing bruising and cuts. They returned plaintiff to his cell, where  
26 everything had been removed. Defendants left plaintiff in his cell with nothing but his  
27 underwear and with no running water for approximately two and a half weeks. Defendants also  
28 withheld food from plaintiff for two and a half weeks. Eventually a psychiatric technician

1 arrived and plaintiff's circumstances were remedied. Thereafter, on two occasions plaintiff  
2 attempted to file an administrative grievance regarding defendants' conduct, but Sotelo tore up  
3 plaintiff's grievance forms.

4 When liberally construed, plaintiff's allegations are sufficient to state cognizable claims  
5 against defendants for violating his Eighth Amendment rights by using excessive force, by  
6 withholding food, and by exposing him to unhealthy, dangerous and deplorable living  
7 conditions.

8 **CONCLUSION**

9 1. The clerk shall issue summons and the United States Marshal shall serve, without  
10 prepayment of fees, a copy of the complaint in this matter with all attachments thereto and a  
11 copy of this order upon defendants: **Correctional Sergeant Sotelo and Correctional Officer**  
12 **Luna at Salinas Valley State Prison.** A courtesy copy of the complaint with its attachments  
13 and this order shall also be mailed to the California Attorney General's Office.

14 2. In order to expedite the resolution of this case, the court orders as follows:

15 a. No later than ninety days from the date this order is filed, defendants shall file  
16 a motion for summary judgment or other dispositive motion. If defendants are of the opinion  
17 that this case cannot be resolved by summary judgment, they shall so inform the court prior to  
18 the date the summary judgment motion is due. All papers filed with the court shall be promptly  
19 served on the plaintiff.

20 b. Plaintiff's opposition to the dispositive motion, if any, shall be filed with the  
21 court and served upon defendants no later than thirty days from the date of service of the  
22 motion. Plaintiff must read the attached page headed "NOTICE -- WARNING," which is  
23 provided to him pursuant to *Rand v. Rowland*, 154 F.3d 952, 953-954 (9th Cir. 1998) (en banc),  
24 and *Klingele v. Eikenberry*, 849 F.2d 409, 411-12 (9th Cir. 1988).

25 If defendants file an unenumerated motion to dismiss claiming that plaintiff failed to  
26 exhaust his available administrative remedies as required by 42 U.S.C. § 1997e(a), plaintiff  
27 should take note of the attached page headed "NOTICE -- WARNING (EXHAUSTION),"  
28 which is provided to him as required by *Wyatt v. Terhune*, 315 F.3d 1108, 1120 n. 4 (9th Cir.),

United States District Court  
For the Northern District of California

1       cert. denied, *Alameida v. Wyatt*, 124 S.Ct 50 (2003).

2                   c. Defendants **shall** file a reply brief no later than fifteen days after the date of  
3 service of the opposition.

4                   d. The motion shall be deemed submitted as of the date the reply brief is due.

5 No hearing will be held on the motion unless the court so orders at a later date.

6                   4. All communications by the plaintiff with the court must be served on defendant, or  
7 defendant's counsel once counsel has been designated, by mailing a true copy of the document  
8 to defendant or defendant's counsel.

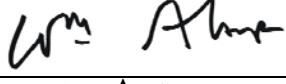

9                   5. Discovery may be taken in accordance with the Federal Rules of Civil Procedure.

10 No further court order under Federal Rule of Civil Procedure 30(a)(2) or Local Rule 16-1 is  
11 required before the parties may conduct discovery.

12                   6. It is the plaintiff's responsibility to prosecute this case. Plaintiff must keep the court  
13 informed of any change of address and must comply with the court's orders in a timely fashion.  
14 Failure to do so may result in the dismissal of this action for failure to prosecute pursuant to  
15 Federal Rule of Civil Procedure 41(b).

16                   **IT IS SO ORDERED.**

17 Dated: June 30, 2011.

18                     
19                   WILLIAM ALSUP  
20                   UNITED STATES DISTRICT JUDGE

## **NOTICE -- WARNING**

**(SUMMARY JUDGMENT)**

If defendants move for summary judgment, they are seeking to have your case dismissed. A motion for summary judgment under Rule 56 of the Federal Rules of Civil Procedure will, if granted, end your case.

Rule 56 tells you what you must do in order to oppose a motion for summary judgment. Generally, summary judgment must be granted when there is no genuine issue of material fact--that is, if there is no real dispute about any fact that would affect the result of your case, the party who asked for summary judgment is entitled to judgment as a matter of law, which will end your case. When a party you are suing makes a motion for summary judgment that is properly supported by declarations (or other sworn testimony), you cannot simply rely on what your complaint says. Instead, you must set out specific facts in declarations, depositions, answers to interrogatories, or authenticated documents, as provided in Rule 56(e), that contradict the facts shown in the defendant's declarations and documents and show that there is a genuine issue of material fact for trial. If you do not submit your own evidence in opposition, summary judgment, if appropriate, may be entered against you. If summary judgment is granted, your case will be dismissed and there will be no trial.

## **NOTICE -- WARNING**

## (EXHAUSTION)

If defendants file an unenumerated motion to dismiss for failure to exhaust, they are seeking to have your case dismissed. If the motion is granted it will end your case.

You have the right to present any evidence you may have which tends to show that you did exhaust your administrative remedies. Such evidence may be in the form of declarations (statements signed under penalty of perjury) or authenticated documents, that is, documents accompanied by a declaration showing where they came from and why they are authentic, or other sworn papers, such as answers to interrogatories or depositions.

If defendants file a motion to dismiss and it is granted, your case will be dismissed and there will be no trial.
